

63<sup>rd</sup> Annual Kiwanis Art Fiesta  
Sacramento Suburban Kiwanis Club  
PO Box 601715  
Sacramento, CA 95860-1715

February 25, 2021

Dear Artist:

Thanks to all the artists who responded to our earlier inquiry indicating interest in participating in our Art Fiesta at Pavilions this coming September 11 & 12, 2021.

About 40% of artists on our database list (which covers several years) responded affirmatively. Therefore, provided we can comply with safety measures for social distancing, masks, occupancy limits, etc. and secure official approval from the local health department, we plan to host the Art Fiesta.

We are anticipating some distancing changes due to Covid restrictions. Some spaces may be too close to each other, leading to the redesign of the traditional spacing. Consequently, returning artists may not be assigned their exact former locations. Be assured we will try to keep you as close to your requested space as possible. Space assignments will be prioritized by your application submission date.

This year, we are working on making the Art Fiesta application available via our Art Fiesta website ([www.kiwanisartfiesta.org](http://www.kiwanisartfiesta.org)). Because this is a new process for us, you can expect our application site to be operational by April. We will keep you posted.

When the application is up and running, we request that you use our website to complete your information and submit your payment via PayPal or Credit Card. Details will be on the site. Of course, as in past years, you can still submit your paper application and check payment via USPS.

Postcards and posters you request will be mailed to you sometime in June.

We will notify you as soon as possible if, for health safety reasons, the Fiesta must be canceled. In that case, like last year, 100% of your funds will be refunded.

Again, we are encouraged by your responses and the probability of being able to host this Art Fiesta. Your participation helps us provided needed services in our community.

Sincerely,

Sacramento Suburban Kiwanis Club Art Fiesta Committee
